

ALTW'S PRODUCTS END OF LIFE NOTIFICATION

Dear Valued Customers,

ALTW had proceeded to upgrade to higher specifications of waterproof M12 Series gradually in order to meet stricter requirements. Main changes for the upgrade versions shows below .

1. Waterproof upgrade to IP68.
2. All housings and inserts UL94-V0 and F1 rated with gasket upgraded to UL94-V0 .

(For more detail please see our **Appendix A.**)

In the course of these upgrades you do certainly expect some part numbers, products and components will be made obsolete and could affect you in some ways.

We are announcing the **End Of Life (EOL)** of certain product part numbers. Here are the critical dates for **Last Time Buy (LTB)** orders and last shipment:

Due date for LTB order to Amphenol LTW Technology Co., Ltd. or to a franchised Amphenol LTW Distributor	<i>December 31st, 2015</i>
Planned date for last shipment from factory	<i>Mar 31st, 2016</i>

- Standard Product Range to be Phased-Out :
(Please refer to the provided list for the reference **<M12 new part number list ALTW 201512>**.)
- Customized Products and P/N: **Each Sales Representative will contact you**

Please note that any shipments beyond Apr. 2016 will be on a Non-Cancelable Non-Returnable basis.

Sincerely Yours,
