

**ALTW'S PRODUCTS END OF LIFE NOTIFICATION**

Dear Valued Customers,

ALTW had proceeded to upgrade to higher specifications of waterproof Circular Series gradually in order to meet stricter requirements. Main changes for the upgrade versions shows below .

1. Waterproof upgrade to IP67.
2. All housings and inserts UL94-V0 and F1 rated with gasket upgraded to UL94-V0 .
3. Stamp Pin or CNC pin Choice

(For more detail please see our **Appendix A.**)

In the course of these upgrades you do certainly expect some part numbers, products and components will be made obsolete and could affect you in some ways.

We are announcing the **End Of Life (EOL)** of certain product part numbers. Here are the critical dates for **Last Time Buy (LTB)** orders and last shipment:

Due date for LTB order to Amphenol LTW Technology Co., Ltd. or to a franchised Amphenol LTW Distributor	<i>December 31st, 2015</i>
Planned date for last shipment from factory	<i>Mar 31<sup>st</sup>, 2016</i>

- Standard Product Range to be Phased-Out :  
(Please refer to the provided list for the reference **<Circular new part number list ALTW>**.)

Product	Size	Current	Assemble Style
Circular Series	A/B/C/D	5A/10A/20A	Panel soldering / Cable molding

- Customized Products and P/N: **Each Sales Representative will contact you**

Please note that any shipments beyond Apr. 2016 will be on a Non-Cancelable Non-Returnable basis.

Sincerely Yours,
